Principal's Note

Welcome Back Brechin Students & Families,

Happy New Year to you all from all us here at Brechin. It is great to be back with your wonderful children. We have a lot of stuff planned inside and outside of the class, so please watch for these newsletters in your email every week, or pick up one outside the office. Consider joining our PAC Facebook group "**Brechtin Elementary School PAC Events**" or check our website <http://br.schools.sd68.bc.ca/>

Most of our classes do weekly nature walks and parks clean up, receiving a Certificate of Appreciation from the Mayor himself! We are very proud of our students!

Safety Concern:

We have several students who are being dropped off before supervision is available or who are not being picked up at 2:30pm. We have outdoor supervision for children 15 minutes before school and 15 minutes after school. Students should not be dropped off without parent supervision before 8:23am unless they are participating in the breakfast program. Our breakfast program begins at 8:15am.

Brechtin Breakfast/Snack Program

Our breakfast program operates from 8:15-8:30am and offers students a nutritious start to their school day as well as a healthy snack around midday. Parents are asked to pay what they can afford (maximum \$20/month). If you wish your child to participate in the breakfast/snack program, he or she must be registered. Please complete a form at the office and give it and your contribution to Bev.

REMEMBER NO CHILD WILL BE DENIED BREAKFAST/SNACK DUE TO A FAMILY'S FINANCIAL SITUATION. PLEASE SPEAK TO MS. HART IF PAYING IS A HARDSHIP.

Register 2018/19 Kindergarten & Grade 8 Out of Catchment

Registration now open for Kindergarten!!! And for those grade 7's wanting to go to an academy or to an out of catchment school, register now as your date and time will be recorded and it is first come, first serve. <http://bit.ly/eregistration2018>
